# WELCOME to Enliven

Our home support and community services enable people to live in their own homes, stay healthy and engage socially with others.

## HOW WE CAN SUPPORT YOU

- In-home support including personal care, household management and social connection - funded or private
- Respite care for older people\*
- Long-term support for chronic conditions
- Community-based day services
- Transition services for older people returning home from hospital or rest home\*
- Enhanced and Individualised Funding for allowing you to organise your disability support funds.
- EnlivenPlus offers personalised dementia care, Active Respite Care and a Transition into Care service.
- Enliven is a service of Presbyterian Support Northern (PSN) which also provides Family Works, Lifeline, Shine and financial mentoring and budgeting services.

*\*Some services are not available in every area.*

## What our clients say

“She is such a happy person. She always brings a smile to my face as she encourages me to meet my goals.”

“Outstanding support that has enabled me to remain in my own home and continue to lead an independent lifestyle. Many thanks.”

# WHY CHOOSE ENLIVEN?

## 1. We offer high-quality support services

We provide short-term assistance or 24/7 support for more complex needs. Our services build day-to-day resilience, taking into account your social, cultural and emotional needs as well as your practical requirements.

## 2. We support people living with dementia

We are a Dementia Friendly Organisation and our staff are well-trained in working with those living with dementia.

## 3. Enliven works with you and others involved in your care

Our aim is to support you to achieve your own goals by finding the right solution for you, in partnership with you, your family and other organisations.

## 4. We have qualified support teams

Our support workers have NZQA qualifications in home and community support and are supervised by our service coordinators who are health professionals.

## 5. Enliven is part of your local community and an organisation you can trust

Our staff live in your community and work with clients from diverse cultures. We are part of PSN, a local charitable organisation with 140 years' experience delivering social services to people, regardless of their beliefs.

## 6. Enliven is accountable and measures outcomes

We measure how well we provide services by obtaining full and independent feedback from clients and put in place improvements based on this experience.
